SMART HOME AUTOMATION

Keep Your Family Safe & Comfortable All From The Palm of Your Hand.

Affordable & Easy To Use Smart Home Solutions

Thermostat

The Nest Learning Thermostat is the smarter way to save energy. Controlled via your smart device for precise temperature control, it learns your favorite settings and automatically adjusts itself to your comfort level.

Indoor & Outdoor Camera

Nest Indoor/Outdoor Security Cameras keep an eye on what matters to you, from anywhere. Weatherproof, tamper-resistant and seriously sharp so it can help you know about a break-in before it happens.

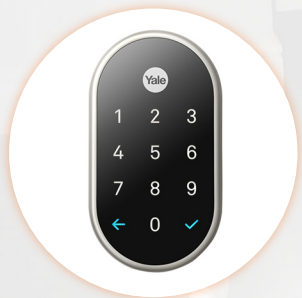

Smoke + CO Alarm

It's time to expect more from your smoke and CO2 detector. Nest Protect helps you before, during, and after something goes wrong. The first home alarm you can hush from your phone and it tells you what's wrong and can even alert your phone.

Leak & Freeze Detector

The Honeywell Wi-Fi Water Leak and Freeze Detector is an early warning system that notifies you on your smartphone when a drop of leak is detected or the temperature drops below a temperature of your choice to prevent freezing in your pipes.

Door Lock

Now you can lock and unlock your door from anywhere. Create passcodes for family and people you trust. Lock and check your door status with your voice using Google Assistant and always know who comes and goes.

Video Doorbell

The Nest Hello lets you know who's there, so you never miss a thing. It replaces an existing wired doorbell and delivers HD video with bright, crisp images, even at night. And with 24/7 streaming, you can check in at anytime.

- Extended 5 year warranty
